Copel GeT wins Lot J of the Eletrobras Auction

Companhia Paranaense de Energia – COPEL, a company that generates, transmits, distributes and sells electric power, with shares listed on B3 (CPLE3, CPLE5, CPLE6), NYSE (ELPVY, ELP) and LATIBEX (XCOP), hereby announces to its shareholders and the market in general that Copel GeT has, on this date, won Lot J of the Eletrobras Auction 01/2018, which comprises 75% of SPE Uirapuru Transmissora de Energia S.A.

The venture, which is already in commercial operation and corresponds to TL Ivaiporã - Londrina, consisting of 120 km of transmission line and a APR of R\$ 32.4 million, will provide imminent cash generation and was conquered by R\$ 105.0 millions.

Subsidiary / SPC	Enterprise	State	km	APR ¹ (R\$ million)	Concession Expiration
Uirapuru Transmissora de Energia S.A Copel GeT - 75% Fundação Eletrosul de Previdência e Assistência Social - ELOS - 25%	TL Ivaiporã - Londrina	PR	120	32.4	Mar-35

¹ According to Aneel Approval Resolution No. 2.408/2018 of 06.26.2018. From July 2021 the APR will be reduced 50%.

The line transmission, which crosses 10 municipalities in Paraná (Manoel Ribas, Arivaha do Ivaí, Ivaiporã, Grandes Rios, Cruzmaltina, Faxinal, Marilândia do Sul, California, Apucarana and Londrina), is located close to other projects belonging to Copel GeT, and will provide synergy in the use of resources for operation and maintenance, diluting operational costs for the group. In addition, the Company also intends to reduce administrative costs by absorbing the management in the existing structure in the Copel group.

Notice to the Market - IR 18/18

The result of the Auction can still be changed, as existing minority shareholders has the right of first refusal. Thus, the Fundação Eletrosul de Previdência e Assistência Social - ELOS may acquire the participation of Eletrosul in the same conditions offered by Copel in the auction or may sell its interest (25%) in the venture.
