

IR COPEL 11/06 - 10/10/2006

**NOTICE TO THE MARKET**

**MAUÁ Hydroelectric Power Plant**

Companhia Paranaense de Energia – Copel, in compliance with CVM Instruction 358/2002, and committed to perfecting good Corporate Governance practices, hereby announces to the market that in the auction held today, October 10, 2006, the consortium established between COPEL (51%) and ELETROSUL (49%) won the concession for the construction of the Mauá Hydroelectric Power Plant, in Rio Tibagi – in the State of Paraná – with an installed capacity of 361 MW.

Also on this present date, Usina Mauá sold 192 average MW to be delivered as of January 2011, for 30 years, with a tariff of R\$ 112.96/MWh.

Curitiba, October 10, 2006

Sincerely,  
Paulo Roberto Trompczynski  
CFO and Investor Relations Officer
