NOTICE TO THE MARKET

Copel's Second Periodic Tariff Review

Companhia Paranaense de Energia – COPEL, in compliance with CVM Instruction 358/2002, hereby informs the market that the National Electricity Agency (ANEEL) has determined, through Resolution 663 of June 23, 2008 concerning the second periodic tariff review for Copel Distribuição, a tariff readjustment of -3.35%, of which -7.17% as tariff repositioning and 3.83% as external financial components.

The main values contained in Technical Note 184/2008 – SRE/ANEEL, follow:

Portion A = R\$ 2,777,939,891.21

Portion B = R\$ 1,310,996,206.55

Gross Compensation Base = R\$ 6,700,531,489.47

Net Compensation Base = R\$ 1,920,730,882.22

Tariff Repositioning Index = -7.17%

Tariff Repositioning Index (considering financial effects) = -3.35%

X Factor = 2.09%

Note that as a result of the removal from the tariff base of the external components included in the readjustment of -3.46%, made on June 24, 2007, electricity tariffs for final consumers will be adjusted by an average of 0.04% between June 24, 2008 and June 23, 2009.

Curitiba, June 24, 2008.

Paulo Roberto Trompczynski
Chief Financial, Investor Relations and Control of Equity Interests Officer
