

## IR COPEL 15/08 - 15/10/2008

### **NOTICE TO THE MARKET**

Companhia Paranaense de Energia – COPEL, pursuant to CVM Instruction 358/2002, and in accordance with the resolution of the Board of Directors' meeting held on October 2, 2008, informs the market that the cash available with the Company and its subsidiaries has almost entirely been invested in fixed income securities backed by federal government bonds, and remuneration pegged to the interbank rate (CDI).

Regarding debt, there is no exposure to operations involving foreign exchange derivatives.

Thus, the financial assets and liabilities of COPEL and its subsidiaries derived from financial instruments are not linked to the exchange rate variation.

Curitiba, October 15, 2008

Sincerely,

Paulo Roberto Trompczynski
