

IR COPEL 13/09 - 11/25/2009

**COPEL SHARES ONCE AGAIN INCLUDED
IN THE CORPORATE SUSTAINABILITY INDEX (ISE)**

The BM&FBovespa has announced the new ISE portfolio, valid for one year from December 1, 2009.

COPEL's PNB shares are among the 43 shares issued by 34 companies in 15 sectors that make up the new ISE portfolio.

The selection process for being included in the portfolio involved the completion of a questionnaire covering issues related to corporate sustainability, which was evaluated by the Getúlio Vargas Foundation (FGV) and the Board of ISE.
