

IR COPEL 16/10 - 11/24/2010

NOTICE TO THE MARKET

Due to the death of Chief Executive Officer Ronald Thadeu Ravedutti, the Company's Executive Board appointed the engineer Raul Munhoz Neto, Chief Generation, Transmission and Telecommunications Officer, to occupy the position of CEO on a provisional basis, pursuant to the Company's Bylaws.

Raul Munhoz Neto was born in 1943 and graduated in Mechanical Engineering from the Federal University of Paraná in 1966. He joined Copel in 1982 and occupied several posts in a variety of areas before being appointed Chief Engineering and Construction Officer in 1994.

Curitiba, November 24, 2010.

Sincerely,
Rafael Iatauro
CFO and Investor Relations Officer
