

IR COPEL 18/10 - 12/03/2010

NOTICE TO THE MARKET

At the meeting held on December 2, 2010, Copel's Board of Directors ratified the appointment of engineer Raul Munhoz Neto for the position of CEO, and appointed the electrical engineer and lawyer José Danilo Tavares for the position of Chief Generation, Transmission and Telecommunications Officer. They were both elected to complete the 2009-2011 term of office.

Mr. Raul Munhoz Neto was born in 1943 and joined Copel in 1982. In 1994, he took over the Engineering and Construction Office. He has also worked in the Central Research and Development Lab from 1995 to 1999. From 2006 until November 2010 he was the Chief Generation, Transmission and Telecommunications Officer.

Mr. José Danilo Tavares was born in 1952. He joined Copel in 1978 and has built his career inside the Company, acting in several areas and positions. Since 2006, he held the position of assistant of the Generation, Transmission and Telecommunications Office.

Curitiba, December 03, 2010.

Sincerely,
Rafael Iatauro
CFO and Investor Relations Officer
