

IR COPEL 08/11 - 06/27/2011

Tariff Adjustment

Companhia Paranaense de Energia – Copel, in compliance with CVM Rule 358/2002, announces to the market that the National Electric Power Agency (ANEEL) through Resolution 1,158 of June 21, 2011, authorized an average tariff adjustment of 5.55%. Out of this total, 5.77% refers to the annual tariff adjustment and -0.22% to relevant financial components, characterizing an average effect of 2.99% to be felt by captive consumers.

These amounts were fully passed-through to the Company's tariffs as of June 24, 2011.

Curitiba, June 27, 2011.

Sincerely,
Ricardo Portugal Alves
CFO and Investor Relations Officer
