### COPEL wins bid at Aneel Transmission Auction

Companhia Paranaense de Energia - COPEL, pursuant to CVM Instruction 358/2002, hereby informs the market that, at Aneel Transmission Auction 005/2012, held at the BM&FBovespa on this date, it won the right to construct and operate the following lot:

LOT	TL (km)	APR (BRL mm)	CAPEX <sup>1</sup> (BRL mm)	Location
C	98	4.2	37.0	Paraná

<sup>1</sup> Reference values used by Aneel

The won lot, without discount, is composed of two high-voltage lines that will connect the Londrina and Figueira substations, in the north of the State (88 km), and the Foz do Chopim and Salto Osório substations, in the south (10 km).

Commercial start-up of the transmission lines is scheduled for the end of 2014 and the concession will last for 30 years as of the agreement signature date.

Curitiba, June 6, 2012.

Sincerely,
