

IR 18/13 – COPEL remains in the ISE - BM&FBOVESPA portfolio

Companhia Paranaense de Energia - COPEL, in compliance with CVM Instruction 358/2002, hereby informs its shareholders and the market in general that it will continue to be a component of Corporate Sustainability Index (ISE) in 2014, reflecting its permanent concern over sustainability-related matters.

The ninth portfolio of ISE will be composed of 51 stocks of 40 companies. They represent 18 sectors and have a combined market capitalization of R\$1.1 trillion, equivalent to half of the combined figure for all of the Companies listed on BM&FBOVESPA.

ISE participants were selected among 200 most actively traded shares on BM&FBOVESPA who answered the questionnaire compiled by the Center of Sustainability Studies (GVces) of the Fundação Getúlio Vargas Business Administration School (FGV-EAESP).

Reinforcing its commitment to transparency, COPEL has authorized the publication, by BM&FBOVESPA, of its answers to the questionnaire, where the Company describes its dimensions on the following aspects: General, Nature of its Products, Corporate Governance, Financial, Social, Environmental and Climate Change.
