OFÍCIO SAE/GAE 2350-14: INFORMATION ABOUT COPEL

In the Official Letter SAE/GAE 2350-14, from July 04, 2014, you call us information about the news article published by Agência Estado – Broadcast, on July 4, 2014, under the title “Copel will not receive R\$1 billion if the lower adjustment for distributors is approved”.

We hereby clarify that according to the interview given by Mr. Vlademir Daleffe, CEO of Copel Distribuição, a wholly-owned subsidiary of COPEL, the revenue difference is based on public information available on the website of the Brazilian Electricity Regulatory Agency – Aneel.

Technical Note 193/2014 and Resolution 1,740/2014 are publicly available on Aneel’s website (www.aneel.gov.br/biblioteca) since June 25. These documents contain all the information related to Copel Distribuição’s tariff calculation, including the Company’s revenue after the average increase of 39.71%, from which it is possible to estimate the revenue difference with the application of a lower increase and the deferral of the remaining percentage.

We will be pleased to answer any additional questions you may have.

MARCOS DOMAKOSKI
Interim Chief Financial and Investor Relations Officer
