

COPEL remains in the ISE - BM&FBOVESPA portfolio

Companhia Paranaense de Energia - COPEL, in compliance with CVM Instruction 358/2002, hereby informs its shareholders and the market in general that it will continue to be a component of Corporate Sustainability Index (ISE) in 2015, reflecting its permanent concern over sustainability-related matters, based on economic efficiency, environmental balance, social justice and corporate governance.

The tenth portfolio of ISE will be composed of 51 stocks of 40 companies. They represent 19 sectors and have a combined market capitalization of R\$ 1.2 trillion, equivalent to 49.87% of the combined figure for all of the Companies listed on BM&FBOVESPA. ISE participants were selected among 200 most actively traded shares on BM&FBOVESPA who answered the questionnaire.

Reinforcing its commitment to transparency, Copel has authorized the publication, by BM&FBOVESPA, of its answers to the questionnaire, where the Company describes its dimensions on the following aspects: General, Nature of its Products, Corporate Governance, Financial, Social, Environmental and Climate Change.

Since the beginning of the portfolio, ISE advanced 159%, against 74% of Ibovespa.

Curitiba, Brazil, November 26, 2014.
