Copel Distribuição launches “+ Clic Rural” investment program

Companhia Paranaense de Energia - Copel, in compliance with provisions of CVM Rule 358/2002, informs its shareholders and the market in general that its wholly owned subsidiary, Copel Distribuição, has launched today a new investment program for Paraná’s rural area.

“+ Clic Rural” is designed to improve infrastructure in order to increase the quality of energy supply and accelerate the resumption of service in case of interruptions.

With estimated investments of R\$500 million by 2018, the program comprises the construction of 3,000 km of new networks and 30 substations, the installation of 1,500 automated reclosers and the implementation of intelligent network technology in the countryside of Paraná.

Curitiba, August 27, 2015.
