Copel Distribuição S.A. renews concession for 30 years

Companhia Paranaense de Energia - Copel, pursuant to CVM Instruction 358/2002, informs the market in general that the Company's management and the Ministry of Mines and Energy have entered into the fifth amendment to the Public Electricity Distribution Concession Agreement no. 46/1999 of Copel Distribuição S.A., extending the concession until July 7, 2045.

The fifth amendment imposes conditions related to service quality and economic-financial sustainability indicators, which will be supported by an investment program focused on automation and new technologies, the full application of the tariff adjustments approved by the Brazilian Electricity Regulatory Agency - Aneel and the implementation of the corporate governance structure to be defined by the regulatory agency, ensuring Copel Distribuição's shielding and individualization.

The Company reiterates its commitment to the concession's economic sustainability and the continuation of investments supported by focus on cost control, increase on productivity and improvements on operational efficiency.

Curitiba, December 8, 2015.
