

**PROPOUSAL OF THE ADMINISTRATION ABOUT PUBLICATION OF THE COMPANY'S CORPORATE DOCUMENTS IN ACCORDANCE WITH THE BRAZILIAN CORPORATION LAW NO. 6,404/1976**

Dear Shareholders:

In the 61st General Shareholders's Meeting, held on April 28, 2016, Copel's shareholders were informed that the selection of the newspapers in which the Company would publish corporate documents in accordance with Article 289 of the Brazilian Corporation Law no. 6,404/1976 was in progress. On such occasion, the Company proposed calling an Extraordinary Shareholders' Meeting to discuss the matter, at a convenient date still to be set, having its decision on that subject to be later ratified by a General Shareholders' Meeting. The proposal was unanimously accepted.

In that 61st General Shareholders's Meeting the shareholders were also informed that up to the realisation of the Extraordinary Shareholders' Meeting the publications of the Company's corporate documents in accordance with the Brazilian Corporation Law no. 6,404/1976 would still be made in the Official Gazette of the State of Paraná and in the newspaper "Gazeta do Povo".

Thus, and considering the ongoing process of selection of newspapers for publication of institutional information by the State of Paraná, Copel's major shareholder, the Company hereby informs its shareholders that, from January 2017 onwards, the publication of its corporate documents in accordance with the Brazilian Corporation Law no. 6,404/1976 will be maintained in the Official Gazette of the State of Paraná, starting, from January 2017 onwards, being published in the newspaper Folha de Londrina, from Editora e Gráfica Paraná Press S.A. (in replacement of Gazeta do Povo), as it is the only state circulated newspaper to meet the eligibility requirements, up to the present date, of the Accreditation Call no. 001/2016 of the State Secretary for Social Communication of the State of Paraná, which was set up with the objective to accredit publishing companies of newspapers with daily circulation for publication of information to meet legal requirements of companies with Direct and Indirect Government Bodies, including federal government foundations and independent agencies, public and mixed capital companies and autonomous social service providers of the State of Paraná.

In view of the foregoing, the Company's management convenes its shareholders to deliberate on a matter at an Extraordinary General Meeting to be held on January 18, 2017.
